## **FROM THE PREZ**

The holidays are over, I feel like I have gained ten pounds and need to be on a starvation diet. But, this time of year also means football playoff games and car auctions on TV. After seeing some of the selling prices, I wish I had a Hemi-Cuda convertible that I could sell. One sold for 2.675 million! Amazing. With that said, the Mustang were still pretty strong. Anyway, the car auctions are good entertainment on cold winter nights.

A LEMOC Board of Directors meeting was held in January. Many topics were discussed. One item talked about was our car show. Chris DeRosa has almost completed the guide for planning the show. This should make it much easier and simpler for anyone who is chairing the show. Many possible club activities were also discussed. A Mustang Day dinner and car show is being planned for April 17. It should be fun. More info to follow. Also discussed were a dinner cruise to a local restaurant and other cruise destinations. Another item was a special speaker for the March meeting. More info to follow. As always, if you have ideas for activities please bring them up at the meeting. Plans for the Can Am are progressing nicely. Denise will keep us updated.

Remember, the Feb. Meeting is back at the Boy Scout building. See you there.

Doug

## **Pay It Forward**

I am sure everyone has heard of the Pay It Forward movement across the U.S. Here in Erie one local car dealership-Lakeside Auto has taken it to new level by donating \$300.00 every week since 2015 to an individual who can solve the clues as to where his Pay It Forward Truck is to be found. If the truck is found the individual who found the truck has one hour to donate the \$300.00 to either an individual or group that is in need of the money. On one such very snowy Wed. in Erie, LEMOC club members Joy and Dennis Webber found the Pay It Forward truck at the Erie International Airport. They donated the \$300.00 to the WLD Ranch in Fairview. Good job Joy and Dennis!
